The right to use the Road reserved herein by ~~Faulconer, Inc.~~ shall be for providing ingress to and egress from the lands lying north of the Cardiff Land, so that Faulconer and its successor and assigns can carry out its operations as owner of and/or operator of the oil, gas, and mineral leases on lands which are located in the Crider Gas Unit No. 2, so far as such lands are located north of the Cardiff Land. The right to use the Road which is reserved herein shall be non-exclusive and shall continue for so long as any of the Cardiff Leases remain in effect.

Notwithstanding anything to the contrary contained herein, Faulconer, by the execution of this Partial Release And Waiver Of Surface Rights, is not releasing and does not intend to release any rights, other than the surface rights as provided for herein, that it presently has under the Cardiff Leases and does not waive or release any right that it has, now or in the future, to use any public road which may cross the Cardiff Land, now or in the future.

This Partial Release And Waiver Of Surface Rights is joined in by all of the present mineral owners and present surface owners of the Cardiff Land.

EXECUTED on the 15th day of April, 2005.
