

**NOTICE OF PUBLIC HEARING ON
REALIGNING COUNCILMEMBER DISTRICTS**

According to the 2020 Census data, the City's councilmember districts are not of sufficiently equal population and must be redrawn in order to comply with the "one-person, one-vote" (equal population) principle established by the U.S. Constitution.

The Fulshear City Council is considering new boundaries for its councilmember districts and wants to hear from you. Tell us what you think about the preliminary councilmember district plan at the public hearing described below:

**PUBLIC HEARING ON
REDISTRICTING PROPOSALS**

The Guidelines, among other things, require that comments be submitted in writing even if you make them orally at the hearing; all written comments are due by the close of the hearing.
