AGREEMENT FOR COPIER LEASE AND MAINTENANCE #2022-057 LEASE FOR COPIERS TIPS CONTRACT # 210103

THIS AGREEMENT FOR COPIER LEASE AND MAINTENANCE (the "<u>Agreement</u>") is made and entered into this _____ day of _____, 2022 (the "<u>Effective Date</u>"), by and between the CITY OF FULSHEAR, TEXAS (the "<u>City</u>"), a Texas municipality, and STARGEL OFFICE SOLUTIONS (the "<u>Service Provider</u>"). Collectively, the City and the Service Provider may be referred to as the "Parties."

WHEREAS, the City wishes to lease equipment and obtain services relating to needed copier lease and maintenance as described in the attached and incorporated <u>Exhibit A</u> and as provided for in TIPS national cooperative purchasing Contract No. 210103 (the "<u>Project</u>"), and the City wishes to retain the Service Provider in connection with that Project; and

WHEREAS, the Service Provider is a company authorized to do business in Texas and is qualified and authorized to perform the services the City wishes the Service Provider to perform; and

WHEREAS, the Service Provider desires to render such services for the City upon the terms, covenants, and conditions provided herein.

Now, Therefore, for and in consideration of the services, payments, and other valuable consideration contained herein, the Parties agree to the following terms, covenants, and conditions:

SECTION 1. Performance by Service Provider. At the City's sole discretion, the City shall be entitled to engage the Service Provider to perform services, in accordance with the terms and conditions of this Agreement, as those services relate to the Project. The Service Provider agrees to perform such services in accordance with the terms, covenants, and conditions of this Agreement.

The City agrees to and hereby does retain the Service Provider as an independent contractor, and the Service Provider agrees to provide Services (as that term is defined herein) to the City, in accordance with the terms, conditions, and covenants provided in this Agreement.

SECTION 2. Contract Documents. The Services to be provided by the Service Provider to the City shall be to furnish all equipment and materials and to perform all work described in the attached and incorporated hereto <u>Exhibit A</u>. In addition to this Agreement, the Contract Documents shall include both <u>Exhibit A</u> as well as the "Buyout Acknowledgement Addendum," attached hereto as <u>Exhibit B</u>, which has been incorporated hereto as a part hereof by reference.

SECTION 3. Scope of Services. The Service Provider will provide <u>all equipment</u>, <u>materials</u>, <u>services</u>, <u>and labor</u> described in the attached <u>Exhibit A</u> (collectively, the "<u>Services</u>") which is hereby attached and incorporated hereto by reference and made a part of this Agreement, subject to the terms and conditions in this Agreement. A written description of work and estimated cost for the project are included in <u>Exhibit A</u>. In the event of a conflict between any term of provision

in this Agreement and any term or provision in <u>Exhibit A</u>, the term or provision in this Agreement shall control unless the conflicting term or provision in this Agreement is referenced, and expressly stated not to apply, in such <u>Exhibit A</u>.

Any mutually agreed upon changes to the terms, conditions, covenants, and provisions to this Agreement shall be set forth in an amendment to this Agreement. The Service Provider will not implement any changes or any new services until an amended agreement has been duly executed by the City. The City shall not be liable for any amounts not included *Exhibit A*.

All Services rendered under this Agreement will be performed by the Service Provider with the professional skill and care ordinarily provided by competent professionals practicing under the same or similar circumstances and professional license and as expeditiously as is prudent considering the ordinary professional skill and care of a competent professional practicing under the same or similar circumstances.

SECTION 4. Payment for Services. The City agrees to pay the Service Provider for Services provided in accordance with the following terms, covenants, and conditions:

a. Buyout Acknowledgement Addendum. The Parties agree and acknowledge that, so to be a party to this Agreement and align the City's current services with those provided for under this Agreement, the City and the Service Provider had to reevaluate and adjust those services previously provided to the City by the Service Provider. As a part of this process, the Service Provider must payoff third-party equipment lease agreements to which it is a party but to which the City is not a party. The Parties have acknowledged this requirement in the "Buyout Acknowledgement Addendum," which has been attached and incorporated hereto and as a part hereof as Exhibit B. In the event of a conflict between any term of provision in this Agreement and any term or provision in Exhibit B, the term or provision in this Agreement shall control.

The Parties agree, acknowledge, and intend that the Buyout Amount, as that term is defined in <u>Exhibit B</u>, does not include those payoff amounts that the Service Provider must pay in its termination of those third-party equipment lease agreements. Instead, the Parties agree, acknowledge, and understand that the Buyout Amount consists of only those outstanding amounts for service and supplies, which the Service Provider shall invoice the City for in accordance with this Agreement.

- b. *Contract Sum.* The City shall compensate the Service Provider for the performance of the Services per the professional design proposal in *Exhibit A* and in accordance with the Standard Rate Schedule contained in the attached and incorporated *Exhibit A*. The total fees paid under this Agreement shall not exceed \$250,000.00.
- c. *Invoices*. The Service Provider shall invoice the City monthly for Services rendered based on the percentage of Services completed as of the date of the invoice. The City will pay for those Services, in full, within thirty (30) days of receipt of a properly completed invoice by electronic payment or check. Invoices should be submitted to:

City of Fulshear

Attn: Accounting P.O. Box 279

Fulshear, Texas 77441 Telephone: (281) 346-1796

Email: accounting@fulsheartexas.gov

If the City reasonably disputes any invoice, the City shall timely pay the undisputed portion and promptly notify the Service Provider in writing of the nature of the dispute as to the remainder, and the parties will use their best efforts to resolve the dispute expeditiously.

- **d. Budget.** The Parties understand and acknowledge that the funding of this Agreement is contained in the City's annual budget and is subject to the approval of the City's governing body in each fiscal year. The Parties further agree that should the City's governing body fail to approve a budget that includes sufficient funds for the continuation of this Agreement, or should the City's governing body fail to certify funds for any reason, then and upon occurrence of such event, this Agreement shall automatically terminate as to the City, and the City shall then have no further obligation to the Service Provider. When the funds budgeted or certified during any fiscal year by the City to discharge its obligations under this Agreement are expended, the Service Provider's sole and exclusive remedy shall be to terminate this Agreement.
- **e.** Eligible Costs. Costs incurred prior to the Effective Date of this Agreement are not eligible for reimbursement. There shall be no obligation whatsoever for performance of this Agreement from the monies of the City other than from the monies designated for this Agreement. The City will only pay for services rendered and shall not pre-pay for work that has not been performed.

SECTION 5. Time of Completion; Term; Termination.

- **a.** *Time of Completion.* The Service Provider shall begin work and the work shall be completed as stipulated in *Exhibit A*.
- **b.** *Term.* This Agreement will commence on the Effective Date and shall remain in effect for 48 months from the Effective Date unless earlier terminated as provided herein.
- c. *Termination*. The City may terminate this Agreement at any time, with or without cause, upon thirty (30) days' prior written notice. Upon its receipt of termination of this Agreement, the Service Provider shall follow any instructions of the City respecting work stoppage. The Service Provider shall cooperate with City and City designees to provide for an orderly conclusion of the Services. The Service provider shall use its best efforts to minimize the amount of any non-cancelable obligations and shall assign any contracts related thereto to the City, or the City's designee, at the City's request. If the City elects to continue any activities underlying a terminated Agreement after termination, the Service Provider shall cooperate with the City to provide for an order transfer of the Service

Provider's responsibilities with respect to such Agreement to the City of the City's designee. Upon the effective date of any such termination, the Service Provider shall submit a final invoice for payment, and the City shall pay such amounts as are due to the Service Provider through the effective date of termination. The City shall only be liable for payment of services rendered before the effective date of termination. If this Agreement is terminated, certain reporting requirements identified in this Agreement shall survive termination of this Agreement.

SECTION 9. Indemnification and Insurance.

a. *Indemnification of City.* To the extent allowed by law, Service Provider INDEMNIFIES and HOLDS HARMLESS the City, its officers, agents, and employees against all costs and expenses, including, without limitation, attorneys' fees and costs of investigation and

defense, as well as legal liability, whether from suit, judgment, settlement or otherwise arising out of any or all claims for injury to persons or property, including but not limited to injuries resulting in death, arising from, or caused by, or incident to any wrongful or negligent act of the Service Provider, the Service Provider's agents, invitees, servants, and employees upon the property of the City, or arising or resulting from any intentional tort or intellectual property infringement for which the Service Provider is responsible, or for any failure to pay a subcontractor or supplier relating to the performance of Services under this Agreement. Any language to the contrary notwithstanding, the covenants and agreements contained in this paragraph survive the termination of this Agreement for whatever cause.

- b. Commercial General Liability Insurance. Service Provider must maintain comprehensive commercial general liability insurance, covering the City and the Service Provider for liability for property damage, bodily injury, personal injury, and death. The insurance provided under this section must be in the amount of not less than \$1,000,000 per occurrence for property damage and not less than \$1,000,000 per occurrence for bodily injury, personal injury, or death. This insurance must protect against liability to any employees or servants of the Service Provider and to any other person or persons whose property damage, personal injury, bodily injury, or death arises out of or in connection with the performance of Services under this Agreement and must include (i) coverage for premises and operations, (ii) coverage for products liability, and (iii) contractual liability coverage insuring the obligations of the Service Provider under the terms of this Agreement. Such policy must name the City (and any successor or assign designated by the City) as an additional insured.
- c. *Umbrella Liability*. Service Provider must maintain umbrella liability insurance, covering the City and the Service Provider for liability for property damage, bodily injury, personal injury and death. The insurance provided under this section must be in the amount of not less than \$1,000,000 per occurrence for property damage, including loss of use thereof, and not less than \$1,000,000 per occurrence for bodily injury, personal injury, or death. This insurance must protect against liability to any employees or servants of the Service Provider and to any other person or persons whose property damage, personal injury, bodily injury, or death arises out of or in connection with the performance of Services under this Agreement and must include (i) coverage for premises and operations, (ii) coverage for products liability, and (iii) contractual liability coverage insuring the obligations of the Service Provider under the terms of this Agreement. Such policy must name the City (and any successor or assign designated by the City) as an additional insured.
- **d.** *Professional Liability.* Service Provider must maintain professional liability insurance. The insurance provided under this section must be in the amount of not less than \$1,000,000 per claim and must have an annual aggregate of not less than \$1,000,000.
- e. Workers Compensation and Employer's Liability. Service Provider must maintain workers compensation insurance to protect against claims under Texas Workers Compensation laws as well as all Federal acts applicable to Service Provider's operations on City property. The limit of liability for such coverage must at least meet applicable

statutory requirements. Additionally, each policy must contain an endorsement waiving all rights against the City and the City's respective agents and employees. Service Provider must maintain employer's liability insurance in the minimum amount of \$1,000,000 per occurrence for personal injury, bodily injury, or death to any employee of the Service Provider who may bring a claim outside the scope of the Texas Worker's Compensation laws or Federal acts applicable to the Service Provider's operation on City property. Each policy must contain an endorsement waiving all rights of subrogation against the City and the City's respective agents and employees.

- f. Waiver of Subrogation. The Parties agree to waive any and all rights of recovery, claims, actions, or causes of action against the other, its agents, officers, and employees for any injury, death, loss, or damage that may occur to persons or to City property, or any personal property of such party on City property, by reason of fire, windstorm, earthquake, flood, or any other risks, or any other cause which is insured under the insurance policy or policies that either party is required to provide or maintain under this Agreement, to the extent and only to the extent of any proceeds actually received by the City or the Service Provider, respectively, with respect thereto, regardless of the cause or origin, including negligence of either party hereto, its agents, officers, or employees, and each party covenants that no insurer will hold any right of subrogation against the other. If such waiver is not obtained, the party failing to do so indemnifies the other party for any claim by an insurance carrier arising out of subrogation.
- g. Insurance Requirements. The phrases "Required Policy" and "Required Policies" mean each policy of insurance required to be maintained by the Service Provider under the terms of this Agreement. Each Required Policy must be written by a company satisfactory to the City but, in all events, a company with an A.M. Best Company financial rating of not less than A:XII (or a similar rating by a comparable service selected by the City should A.M. Best Company cease providing such ratings) and be licensed to do business in Texas or, if the aforesaid is not available, by a company qualified to do business as a non-admitted insurer in Texas under current Texas surplus lines requirements. Such policies must be endorsed so as to require thirty (30) days' prior written notice to the City in the event of cancellation. Required Policies must contain cross-liability clauses, when applicable and available. The Service Provider must deliver to the City a certificate of insurance for any Required Policy no later than the Effective Date of this Agreement. The required evidence of coverage must always be deposited with the City. If the Service Provider fails to do so, such failure may be treated by the City as a default by the Service Provider, and the City, in addition to any other remedy under this Agreement, may purchase and maintain such Required Policy, and the Service Provider must immediately reimburse the City for any premiums paid or costs incurred by the City in providing such insurance. Failure of the Service Provider to reimburse the City is a default by the Service Provider under this Agreement.
- **h.** Indemnity for Noncompliance with Insurance Requirements. Service Provider INDEMNIFIES and HOLDS HARMLESS the City from any loss the Service Provider may suffer due to the Service Provider's failure to comply with all the above insurance requirements, including the requirement for obtaining waivers of subrogation, and due to

- any insurance coverage being invalidated because of the Service Provider's failure to comply with the terms, conditions, and warranties of any Required Policy.
- i. *No Indemnification by the City.* The Service Provider and the City expressly acknowledge that the City's authority to indemnify and hold harmless any third party is governed by Article XI, Section 7 of the Texas Constitution, and any provision that purports to require indemnification by the City is invalid. Nothing in this Agreement requires that the City incur debt, assess or collect funds, or create a sinking fund.

SECTION 10. Injunctive Relief. It is hereby understood and agreed that damages shall be an inadequate remedy in the event or a breach by the Service Provider of this Agreement and that any such breach by the Service Provider will cause the City great and irreparable injury and damage. Accordingly, Service Provider agrees that the City shall be entitled, without waiving any additional rights or remedies otherwise available to the City at law, in equity, or by statute, to injunctive and other equitable relief without proof of actual damages in the event of a breach or intended or threatened breach by the Service Provider.

SECTION 11. Assignment and Subcontracting.

- **a.** *Consent Required.* Service Provider must not assign or subcontract the whole or any part of this Agreement without the City's prior written consent.
- **b.** *Subcontracting.* Any subcontract made by the Service Provider with the consent of the City must incorporate, by reference, all the terms of this Agreement. Service Provider will enter into written contracts with each of its subcontractors requiring such subcontractors to obtain and maintain appropriate and reasonable insurance coverage and requiring such subcontractors to comply with the term of this Agreement, which shall flow down, as is reasonable, required, and appropriate.

SECTION 12. Other Provisions.

a. Force Majeure. In the event either party is rendered unable, wholly or in part, by force majeure to carry-out any of its obligations under this Agreement, except the obligation to pay amounts owed or required to be paid pursuant to the terms of this Agreement, then the obligations of such party, to the extent affected by such force majeure and to the extent that due diligence is being used to resume performance at the earliest practicable time, shall be suspended during the continuance of any inability so caused to the extent provided, but for no longer period. As soon as reasonably possible after the occurrence of the force majeure relied upon, the party whose contractual obligations are affected shall give notice and full particulars of such force majeure to the other party. Such cause, as far as possible, shall be remedied with all reasonable diligence. The term "force majeure," as used herein, shall include without limitation of the generality thereof, acts of God, strikes, lockouts, or similar civil disturbances, acts of the public enemy, orders of any kind of the government of the United States of America or of the State of Texas or any civil or military authority, insurrections, riots, epidemics, landslides, lightning, earthquakes, fires, hurricanes, storms, floods, washouts, drought, arrests, restraint of government, civil disturbances, explosions,

breakage or accidents to machinery, pipelines or canals, and other inabilities of any party, whether similar or those enumerated or otherwise, which are not within the reasonable anticipation or control of the party claiming such inability, which such Party should not have avoided by the exercise of due diligence and care. If delays resulting from such causes increase the cost or time required by the Service Provider to perform the Services under this Agreement, the Service Provider shall be entitled to a reasonable adjustment in schedule and, if applicable and upon written agreement of the Parties, compensation.

- **b.** *Status as Independent Contractor.* The City and the Service Provider are contractors independent of one another and neither party's employees will be considered the employees of the other party for any purpose. This Agreement does not create a joint venture or partnership, and neither party has the authority to bind the other to any third party.
- **c.** Applicable Law and Forum. This Agreement shall be governed and construed in accordance with the laws of the State of Texas, without regard to the conflicts of laws principles thereof. Any action or suit related to this Agreement must be brough in the state or Federal courts sitting in Fort Bend County, Texas.
- d. *Public Information Act.* Information, documentation, and other material in connection with this Agreement may be subject to public disclosure pursuant to Chapter 552 of the Texas Government Code (the "Public Information Act"). Effective January 1, 2020, the requirements of Subchapter J, Chapter 552, Texas Government Code, may apply to this Agreement and the Service Provider agrees that this Agreement can be terminated if the Service Provider knowingly or intentionally fails to comply with a requirement of that subchapter. To the extent, if any, that any provision of this Agreement is in conflict with Texas Government Code, Chapter 552, as amended (the "Texas Public Information Act"), such provision shall be void and have no force or effect.

In accordance with Section 2252.907 of the Texas Government Code, the Service Provider is required to make any information created or exchanged with the City pursuant to this Agreement, regardless of contrary provisions contained herein, and not otherwise excepted from disclosure under the Texas Public Information Act, available in a format that is accessible by the public at no additional charge to the City.

e. *Notices*. All notices, demands, or requests from one party to another must be in writing and must be (i) personally delivered, (ii) sent by mail, certified or registered, postage prepaid, (iii) sent by facsimile transmission, or (iv) sent by overnight delivery, in any case to the address stated in this Section, or to such other address as the party may request in writing, and are deemed to have been given at the time of receipt or delivery.

ADDITIONAL TERMS AND CONDITIONS

AGREEMENT. You want us to now provide you the equipment and/or software referenced herein ("Equipment") and you unconditionally agree to pay us the amounts payable under the terms of this agreement ("Agreement") each period by the due date. This Agreement will begin on the date the Equipment is delivered to you or any later date we designate. If we designate a later commencement date, you agree to pay us an additional amount equal to the periodic payments due under this Agreement prorated for the period between the date the Equipment is delivered to you and the commencement date. We may charge you a one-time origination fee of \$75.00. If any amount payable to us is past due, you will pay a late charge equal to: 1) the greater of ten (10) cents for each dollar overdue or twenty-six dollars (\$26.00); or 2) the highest lawful charge, if less. Any security deposit will be returned upon full performance. TO HELP THE FUNDING OF TERRORISM AND MONEY LAUNDERING ACTIVITIES, FEDERAL LAW REQUIRES ALL FINANCIAL INSTITUTIONS TO OBTAIN, VERIFY AND RECORD INFORMATION THAT IDENTIFIES EACH PERSON WHO OPENS AN ACCOUNT. WHAT THIS MEANS TO YOU: WHEN YOU OPEN AN ACCOUNT, WE WILL ASK FOR YOUR NAME, ADDRESS AND OTHER INFORMATION THAT WILL ALLOW US TO IDENTIFY YOU. WE MAY ALSO ASK TO SEE IDENTIFYING DOCUMENTS.

NET AGREEMENT. THIS AGREEMENT IS NON-CANCELABLE FOR THE ENTIRE AGREEMENT TERM. YOU AGREE THAT YOU ARE UNCONDITIONALLY OBLIGATED TO PAY ALL AMOUNTS DUE UNDER THIS AGREEMENT FOR THE ENTIRE TERM. YOU ARE NOT ENTITLED TO REDUCE OR SET-OFF AGAINST AMOUNTS DUE UNDER THIS AGREEMENT FOR ANY REASON.

EQUIPMENT USE. You will keep the Equipment in good working order, use it for business purposes only and not modify or move it from its initial location without our consent. You agree that you will not take the Equipment out of service and have a third party pay (or provide funds to pay) the amounts due hereunder. You will comply with all laws, ordinances, regulations, requirements and rules relating to the use and operation of the Equipment.

SERVICES/SUPPLIES. If we have entered into a separate arrangement with you for maintenance, service, supplies, etc. with respect to the Equipment, payments under this Agreement may include amounts owed under that arrangement, which amounts may be invoiced as one payment for your convenience. You agree that you will look solely to us for performance under any such arrangement and for the delivery of any applicable supplies.

SOFTWARE/DATA. Except as provided in this paragraph, references to "Equipment" include any software referenced above or installed on the Equipment. We do not own the software and cannot transfer any interest in it to you. We are not responsible for the software or the obligations of you or the licensor under any license agreement. You are solely responsible for protecting and removing any confidential data/images stored on the Equipment prior to its return for any reason.

LIMITATION OF WARRANTIES. EXCEPT TO THE EXTENT THAT WE HAVE PROVIDED YOU A WARRANTY IN WRITING, WE MAKE NO WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. YOU CHOSE ANY/ALL THIRD-PARTY SERVICE PROVIDERS BASED ON YOUR JUDGMENT. YOU MAY CONTACT US OR THE MANUFACTURER FOR A STATEMENT OF THE WARRANTIES, IF ANY, THAT THE MANUFACTURER IS PROVIDING. WE ASSIGN TO YOU ANY WARRANTIES GIVEN TO US.

ASSIGNMENT. You may not sell, assign, or sublease the Equipment or this Agreement without our written consent. We may sell or assign this Agreement and our rights in the Equipment, in whole or in part, to a third party without notice to you. You agree that if we do so, our assignee will have our assigned rights under this Agreement but none of our obligations and will not be subject to any claim, defense, or set-off that may be assertable against us or anyone else.

LOSS OR DAMAGE. You are responsible for any damage to or loss of the Equipment. No such loss or damage will relieve you from your payment obligations hereunder. Except for claims, losses, or damages caused by our gross negligence or willful misconduct, you agree to indemnify us and our assignee, if applicable, against any claims, losses, or damages, including attorney fees, in any way relating to the Equipment or data stored on it. In no event will we be liable for any consequential or indirect damages.

INSURANCE. You agree to maintain commercial general liability insurance acceptable to us. You also agree to: 1) keep the Equipment fully insured against loss at its replacement cost, with us named as loss payee; and 2) provide proof of insurance satisfactory to us no later than 30 days following the commencement of this Agreement, and thereafter upon our written request. If you fail to maintain property loss insurance satisfactory to us and/or you fail to timely provide proof of such insurance, we have the option, but not the obligation, to secure property loss insurance on the Equipment from a carrier of our choosing in such forms and amounts as we deem reasonable to protect our interests. If we secure insurance on the Equipment, we will not name you as an insured party, your interests may not be fully protected, and you will reimburse us the premium which may be higher than the premium you would pay if you obtained insurance, and which may result in a profit to us through an investment in reinsurance. If you are current in all of your obligations under the Agreement at the time of loss, any insurance proceeds received will be applied, at our option, to repair or replace the Equipment, or to pay us the remaining payments due or to become due under this Agreement, plus our booked residual, both discounted at 3% per annum.

TAXES. We own the Equipment. You will pay when due, either directly or by reimbursing us, all taxes and fees relating to the Equipment and this Agreement. Sales or use tax due upfront will be payable over the term with a finance charge.

END OF TERM. At the end of the term of this Agreement (or any renewal term) (the "End Date"), this Agreement will renew for an additional six-month period under the same terms unless a) you provide us written notice, at least 60 days prior to the End Date, of your intent to return the Equipment, and b) you timely return the Equipment to the location designated by us, at your expense. If a Purchase Option is indicated above and you are not in default on the End Date, you may purchase the Equipment from us "AS IS" for the Purchase Option price. If the returned Equipment is not immediately available for use by another without need of repair, you will reimburse us for all repair costs. You cannot pay off this Agreement or return the Equipment prior to the End Date without our consent. If you so request, and we permit the early termination of this Agreement, you agree to pay a fee for such privilege.

DEFAULT/REMEDIES. If a payment becomes 10+ days past due, or if you otherwise breach this Agreement, you will be in default, and we may require that you return the Equipment to us at your expense and pay us: 1) all past due amounts and 2) all remaining payments for the unexpired term, plus our booked residual, discounted at 3% per annum; and we may disable or repossess the Equipment and use all other legal remedies available to us. You agree to pay all costs and expenses (including reasonable attorney fees) we incur in any dispute with you related to this Agreement. You agree to pay us 1.5% interest per month on all past due amounts.

UCC. If we assign rights in this Agreement for financing purposes, you agree that this Agreement, in the hands of our assignee, is, or shall be treated as, a "Finance Lease" as that term is defined in Article 2A of the Uniform Commercial Code ("UCC"). You agree to forgo the rights and remedies provided under sections 507-522 of Article 2A of the UCC. To protect our rights in the Equipment in the event this Agreement is determined to be a security agreement, you hereby grant to us a security interest in the Equipment, and all proceeds, products, rents or profits from the sale, casualty loss or other disposition thereof. You authorize us to file a copy of this Agreement as a financing statement and you agree to promptly execute and deliver to us any financing statements covering the Equipment that we may reasonably require; provided, however, that you hereby authorize us to file any such financing statement without your authentication to the extent permitted by applicable law.

MISCELLANEOUS. This Agreement is the entire agreement between you and us relating to our providing and your use of the Equipment and supersedes any prior representations or agreements, including any purchase orders. Amounts payable under this Agreement may include a profit to us. This Agreement may be executed in counterparts. The counterpart which has our original signature and/or is in our possession or control shall constitute chattel paper as that term is defined in the UCC. If you sign and transmit this Agreement to us by facsimile or other electronic transmission, the transmitted copy upon execution by us (manually or electronically, as applicable) shall be binding upon the parties. You agree that the facsimile or other electronic transmission of this Agreement containing your facsimile or other electronically-transmitted signature which is manually or electronically signed by us shall constitute the original agreement for all purposes and both parties waive the right to challenge in court the authenticity of the Agreement executed in such manner or signature thereon. If a court finds any provision of this Agreement unenforceable, the remaining terms of this Agreement shall remain in effect. You authorize us to either insert or correct the Agreement numbers, model numbers, beginning date, and signature date. All other modifications to the Agreement must be in writing signed by each party.

costs of investigation and defense, as well as legal liability, whether from suit, judgment, settlement or otherwise arising out of any or all claims for injury to persons or property, including but not limited to injuries resulting in death to the extent caused by any wrongful or negligent act of the Professional Service Provider, the Professional Service Provider's agents, invitees, servants, and employees upon the property of the City, or arising or resulting from any intentional tort or intellectual property infringement for which the Professional Service Provider is responsible, or for any failure to pay a subcontractor or supplier relating to the performance of Services under this Agreement. Any language to the contrary notwithstanding, the covenants and agreements contained in this paragraph survive the termination of this Agreement for whatever cause.

- **b.** Commercial General Liability Insurance. Professional Service Provider must maintain comprehensive commercial general liability insurance, covering the City and the Professional Service Provider for liability for property damage, bodily injury, personal injury, and death. The insurance provided under this section must be in the amount of not less than \$1,000,000 per occurrence for property damage and not less than \$1,000,000 per occurrence for bodily injury, personal injury, or death. This insurance must protect against liability to any employees or servants of the Professional Service Provider and to any other person or persons whose property damage, personal injury, bodily injury, or death arises out of or in connection with the performance of Services under this Agreement and must include (i) coverage for premises and operations, (ii) coverage for products liability, and (iii) contractual liability coverage insuring the obligations of the Professional Service Provider under the terms of this Agreement. Such policy must name the City (and any successor or assign designated by the City) as an additional insured.
- c. *Umbrella Liability*. Professional Service Provider must maintain umbrella liability insurance, covering the City and the Professional Service Provider for liability for property damage, bodily injury, personal injury and death. The insurance provided under this section must be in the amount of not less than \$1,000,000 per occurrence for property damage, including loss of use thereof, and not less than \$1,000,000 per occurrence for bodily injury, personal injury, or death. This insurance must protect against liability to any employees or servants of the Professional Service Provider and to any other person or persons whose property damage, personal injury, bodily injury, or death arises out of or in connection with the performance of Services under this Agreement and must include (i) coverage for premises and operations, (ii) coverage for products liability, and (iii) contractual liability coverage insuring the obligations of the Professional Service Provider under the terms of this Agreement. Such policy must name the City (and any successor or assign designated by the City) as an additional insured.
- **d.** *Professional Liability.* Professional Service Provider must maintain professional liability insurance. The insurance provided under this section must be in the amount of not less than \$1,000,000 per claim and must have an annual aggregate of not less than \$1,000,000.
- e. Workers Compensation and Employer's Liability. Professional Service Provider must maintain workers compensation insurance to protect against claims under Texas Workers Compensation laws as well as all Federal acts applicable to Professional Service Provider's

operations on City property. The limit of liability for such coverage must at least meet applicable statutory requirements. Additionally, each policy must contain an endorsement waiving all rights against the City and the City's respective agents and employees. Professional Service Provider must maintain employer's liability insurance in the minimum amount of \$1,000,000 per occurrence for personal injury, bodily injury, or death to any employee of the Professional Service Provider who may bring a claim outside the scope of the Texas Worker's Compensation laws or Federal acts applicable to the Professional Service Provider's operation on City property. Each policy must contain an endorsement waiving all rights of subrogation against the City and the City's respective agents and employees.

- **f.** Waiver of Subrogation. The Parties agree to waive any and all rights of recovery, claims, actions, or causes of action against the other, its agents, officers, and employees for any injury, death, loss, or damage that may occur to persons or to City property, or any personal property of such party on City property, by reason of fire, windstorm, earthquake, flood, or any other risks, or any other cause which is insured under the insurance policy or policies that either party is required to provide or maintain under this Agreement, to the extent and only to the extent of any proceeds actually received by the City or the Professional Service Provider, respectively, with respect thereto, regardless of the cause or origin, including negligence of either party hereto, its officers, or employees, and each party covenants that no insurer will hold any right of subrogation against the other. If such waiver is not obtained, the party failing to do so indemnifies the other party for any claim by an insurance carrier arising out of subrogation.
- g. Insurance Requirements. The phrases "Required Policy" and "Required Policies" mean each policy of insurance required to be maintained by the Professional Service Provider under the terms of this Agreement. Each Required Policy must be written by a company satisfactory to the City but, in all events, a company with an A.M. Best Company financial rating of not less than A:XII (or a similar rating by a comparable service selected by the City should A.M. Best Company cease providing such ratings) and be licensed to do business in Texas or, if the aforesaid is not available, by a company qualified to do business as a non-admitted insurer in Texas under current Texas surplus lines requirements. Such policies must be endorsed so as to require thirty (30) days' prior written notice to the City in the event of cancellation except in cases of non-payment of policy premium which shall require ten (10) days' notice, not thirty (30), of such failure to pay. Required Policies must contain cross-liability clauses, when applicable and available. The Professional Service Provider must deliver to the City a certificate of insurance for any Required Policy no later than the Effective Date of this Agreement. The required evidence of coverage must always be deposited with the City. If the Professional Service Provider fails to do so, such failure may be treated by the City as a default by the Professional Service Provider.
- **h.** *Indemnity for Noncompliance with Insurance Requirements.* Professional Service Provider INDEMNIFIES and HOLDS HARMLESS the City from any liabilities, damages, and costs due to the Professional Service Provider's failure to comply with all the above insurance requirements, including the requirement for obtaining waivers of subrogation, and due to any insurance coverage being invalidated because of the Professional Service

Provider's failure to comply with the terms, conditions, and warranties of any Required Policy.

i. No Indemnification by the City. The Professional Service Provider and the City expressly acknowledge that the City's authority to indemnify and hold harmless any third party is governed by Article XI, Section 7 of the Texas Constitution, and any provision that purports to require indemnification by the City is invalid. Nothing in this Agreement requires that the City incur debt, assess or collect funds, or create a sinking fund.

SECTION 10. Injunctive Relief. It is hereby understood and agreed that damages shall be an inadequate remedy in the event or a breach by the Professional Service Provider of this Agreement and that any such breach by the Professional Service Provider will cause the City great and irreparable injury and damage. Accordingly, Professional Service Provider agrees that the City shall be entitled, without waiving any additional rights or remedies otherwise available to the City at law, in equity, or by statute, to injunctive and other equitable relief without proof of actual damages in the event of a breach or intended or threatened breach by the Professional Service Provider.

SECTION 11. Assignment and Subcontracting.

- **a.** *Consent Required.* Professional Service Provider must not assign or subcontract the whole or any part of this Agreement without the City's prior written consent.
- **b.** *Subcontracting.* Any subcontract made by the Professional Service Provider with the consent of the City must incorporate, by reference, all the terms of this Agreement. Professional Service Provider will enter into written contracts with each of its subcontractors requiring such subcontractors to obtain and maintain appropriate and reasonable insurance coverage and requiring such subcontractors to comply with the term of this Agreement, which shall flow down, as is reasonable, required, and appropriate.

SECTION 12. Other Provisions.

a. Force Majeure. In the event either party is rendered unable, wholly or in part, by force majeure to carry-out any of its obligations under this Agreement, except the obligation to pay amounts owed or required to be paid pursuant to the terms of this Agreement, then the obligations of such party, to the extent affected by such force majeure and to the extent that due diligence is being used to resume performance at the earliest practicable time, shall be suspended during the continuance of any inability so caused to the extent provided, but for no longer period. As soon as reasonably possible after the occurrence of the force majeure relied upon, the party whose contractual obligations are affected shall give notice and full particulars of such force majeure to the other party. Such cause, as far as possible, shall be remedied with all reasonable diligence. The term "force majeure," as used herein, shall include without limitation of the generality thereof, acts of God, strikes, lockouts, or similar civil disturbances, acts of the public enemy, orders of any kind of the government of the United States of America or of the State of Texas or any civil or military authority, insurrections, riots, epidemics, landslides, lightning, earthquakes, fires, hurricanes, storms,

floods, washouts, drought, arrests, restraint of government, civil disturbances, explosions, breakage or accidents to machinery, pipelines or canals, and other inabilities of any party, whether similar or those enumerated or otherwise, which are not within the reasonable anticipation or control of the party claiming such inability, which such Party should not have avoided by the exercise of due diligence and care. If delays resulting from such causes increase the cost or time required by the Service Provider to perform the Services under this Agreement, the Service Provider shall be entitled to a reasonable adjustment in schedule and, if applicable and upon written agreement of the Parties, compensation.

- **b.** Status as Independent Contractor. The City and the Professional Service Provider are contractors independent of one another and neither party's employees will be considered the employees of the other party for any purpose. This Agreement does not create a joint venture or partnership, and neither party has the authority to bind the other to any third party.
- **c.** Applicable Law and Forum. This Agreement shall be governed and construed in accordance with the laws of the State of Texas, without regard to the conflicts of laws principles thereof. Any action or suit related to this Agreement must be brough in the state or Federal courts sitting in Fort Bend County, Texas.
- **d.** *Public Information Act.* Information, documentation, and other material in connection with this Agreement may be subject to public disclosure pursuant to Chapter 552 of the Texas Government Code (the "Public Information Act"). Effective January 1, 2020, the requirements of Subchapter J, Chapter 552, Texas Government Code, may apply to this Agreement and the Service Provider agrees that this Agreement can be terminated if the Service Provider knowingly or intentionally fails to comply with a requirement of that subchapter. To the extent, if any, that any provision of this Agreement is in conflict with Texas Government Code, Chapter 552, as amended (the "Texas Public Information Act"), such provision shall be void and have no force or effect.

In accordance with Section 2252.907 of the Texas Government Code, the Service Provider is required to make any information created or exchanged with the City pursuant to this Agreement, regardless of contrary provisions contained herein, and not otherwise excepted from disclosure under the Texas Public Information Act, available in a format that is accessible by the public at no additional charge to the City.

e. *Notices.* All notices, demands, or requests from one party to another must be in writing and must be (i) personally delivered, (ii) sent by mail, certified or registered, postage prepaid, (iii) sent by facsimile transmission, or (iv) sent by overnight delivery, in any case to the address stated in this Section, or to such other address as the party may request in writing, and are deemed to have been given at the time of receipt or delivery.

Piping modifications will need to be made to reroute the flow from the ground water wells at each facility into the packed-media aerators.

The detailed scope of services is presented in Section 2.0 Scope of Services below.

The Engineer's Opinion of Construction Cost is \$944,000 for one aerator to be added at each of the facilities.
