Note 1 - No law firms would agree to an on-site attorney; therefore, zero costs were budgeted in professional services - legal for this option.

Note 2 - Per conservations with several firms, the average rate/hour was quoted at \$250 an hour. Taking into consideration the legal projects that the City will most likely be undertaking within the next year, it was determined that the City's use of an outside firm services would equate to around 40 hours per week.

Therefore, a conservative figure for the additional legal services would be \$10,000 per week or \$520,000 per year. This is in addition to the In House City Attorney.

Note 3 - Equipment (Technology) is budgeted within the IT Department's Budget (Department 300).

	EXECUTIVI	E SUMMARY	

The U.S. Census has estimated the City's population to be over 25,000 inhabitants, and permit, water/wastewater connection, school enrollment, average household size and voter registration data have been found to support that number.

City Council by declaring the number of inhabitants over 25,000 with such information will also have the effect of extending the City's extraterritorial jurisdiction (ETJ) from one-mile to now two-miles. Where the City already abuts another municipality, such as Houston along FM 1463, or Katy at the boundary of Young and Jordan Ranch, the boundary will not change.

The City cannot regulate land use or zoning in the ETJ, but infrastructure standards and sign regulations, among others, would now apply to such areas brought within the ETJ.

WHEREAS, the City Council finds and determines that the City of Fulshear has more than 25,000 but fewer than 49,999 inhabitants; and

EXECUTIVE SUMMARY

On July 25, 2022, the City of Fulshear Development Corporation (CDC) declared a project for Fiscal Year 2022-2023 (FY23), finding that the budgeted expenditure will promote or develop new or expanded business enterprises. The CDC adopted Resolution CDC 2022-06 at the same meeting, declaring the project, directing staff to publish notice of the same, and setting a public hearing date for August 15. The project notice was run in the legal section of the City's paper of record, the Fort Bend Herald, on July 31, beginning a 60-day period for public petition regarding the expenditure.

A public hearing on the project was held at the Corporation's August 15 Meeting. In addition to the public notice and hearing requirements, the Texas Local Government Code requires the authorizing entity (City Council) to adopt a resolution authorizing the project after giving the resolution at least two separate readings before the EDC may spend funds related to the specific project. This is due to the City's population being under 20,000 (based on the 2010 Census figure, CDC can still undertake Type "B" expenditures until September 2023), and the proposed specific project expenditure amount being greater than \$10,000.

EXECUTIVE SUMMARY

On July 25, 2022, the Fulshear Development Corporation (FDC) declared a project for Fiscal Year 2022-2023 (FY23), finding that the budgeted expenditure will promote or develop new or expanded business enterprises. The FDC adopted Resolution FDC 2022-06 at the same meeting, declaring the project, directing staff to publish notice of the same, and setting a public hearing date for August 15. The project notice was run in the legal section of the City's paper of record, the Fort Bend Herald, on July 31, beginning a 60-day period for public petition regarding the expenditure.

A public hearing on the project was held at the Corporation's August 15 Meeting. In addition to the public notice and hearing requirements, the Texas Local Government Code requires the authorizing entity (City Council) to adopt a resolution authorizing the project after giving the resolution at least two separate readings before the EDC may spend funds related to the specific project. This is due to the City's population being under 20,000 (based on the 2010 Census figure, under which guise the EDCs can still operate in their current format until September 2023), and the proposed specific project expenditure amount being greater than \$10,000.

RECOMMENDATION

Staff recommends adoption of Resolution No. 2022-566 authorizing the Fulshear Development Corporation's project and expenditure for Fiscal Year 2022-2023.

EXECUTIVE SUMMARY

In 2013 Cross Creek Ranch was approved for a master sign plan which allowed for a number of internal and external signage, both permanent and temporary. At the time a number of streets were not contemplated such as Fulshear Bend and Texas Heritage Parkway, and therefore neither were signs along such roads.

This update would allow for monument signs at the following locations:

- Fulshear Bend @ FM 1463
- Within the roundabout at Fulshear Bend & Texas Heritage Parkway
- Morgan Spur off of Texas Heritage Parkway
- Ivory Creek Lane @ Texas Heritage Parkway
- Fulshear Bend Drive at CCR's western boundary

The sign within the roundabout at Fulshear Bend and Texas Heritage Parkway specifically began construction before Fort Bend County (County right-of-way) or City of Fulshear approval, but has since received County approval. The City of Fulshear was not party to the agreement but under the terms of the Texas Heritage Parkway Corridor Declaration of Covenants made between the owners of land (CCR, DR Horton, Harrison Allen, Harrison Fulshear, FB Jordan Ranch, Cathexis, and Henriksen), CCR does reserve the right to install signage and landscaping within the roundabout. This, again pending County and City approval.

This sign plan update was previously before both P&Z and Council in the month of July. In July P&Z voted to approve the master sign plan update with the exception of the Fulshear Bend/Texas Heritage Parkway sign, by a 3-1-1 vote. At the July City Council meeting the update was denied by a 5-0 vote.

RECOMMENDATION

P&Z voted 4-1 to deny the update to the CCR Master Sign Plan at their August 5th regular meeting.

Staff recommends Council take action regarding the request.

EXECUTIVE SUMMARY

Staff seeks from City Council approval of one of the proposed brands.

First, a recap of how we got here. The branding and website update project were included in the Fiscal Year 2022 budget which was approved by City Council in September of 2021. A formal Request for Proposals (2022-004) as required by purchasing policy was issued on October 25, 2021 and was active for nearly three weeks. On November 17, 2021 a staff committee met to review the the six proposals received and grade them according to their experience doing branding for municipalities, their understanding of the project, their stated approach to the project, the quality of prior work, timeline of project, and cost. From here the initial six were narrowed down to three, who received another round of questions for staff review on November 21, 2021. Finally, the consultant receiving the best scores Slate Communications was identified. City Council approved the contract with Slate Communications in January 2022.

Slate is tasked with developing a new City brand which can be used in a variety of applications, as well as Downtown placemaking options, a City flag, and City-wide signage. The brand, of course, will influence each of these others which will wait until a new brand is established. Likewise, a number of specific applications are on hold until a brand can be decided upon such as City vehicle wraps, City uniforms, street signage, and an emblem behind the Council dais, just to name a few. Concurrently, a website update is largely complete and awaiting completion and direction from the branding process.

Issues that were identified in the current brand include it's difficulty scaling down for use on shirts, hats and other applications, the three dates causing confusion for many residents, and that it doesn't set Fulshear apart from many other municipalities.

The branding process started with an interview process of City Council members, City staff, and numerous stakeholders such as the Chamber of Commerce, and members of the City's various boards and commissions.

Several key themes emerged.

Rich history, railroads, Old 300, horse racing, Fulshear family, etc.

Affluent community that places a high value on open, green spaces, and wildlife

Fulshear is a fast growing, affluent, upscale, and safe bedroom community

The brand should represent small-town character without looking outdated

Should incorporate a sense of the outdoors and elements of the City's history, as well as seem upscale, with elements of "farmhouse" chic

Avoid "overused" elements such as the state's outline, and the star, in order to set Fulshear apart from many adjacent communities.

Staff request that a brand family be chosen, and direction on color be provided.

RECOMMENDATION

Staff recommends Council take action to approve one of the options and provide direction regarding color.
